Monday 9th November

Dear Year 6 Parents and Carers,

We are pleased to let you know that we have arranged for a local Police Officer to visit school and lead a workshop for our Year 6 pupils.

The session will cover a range of important topics, including the role of the police within our communities; how individuals are supported and safeguarded; the risks associated with carrying weapons and the work undertaken to tackle knife crime and anti-social behaviour. These discussions will be delivered in an age-appropriate manner and will provide children with valuable information as they continue to develop their understanding of personal safety and responsible decision-making.

We hope this workshop will provide a meaningful opportunity for pupils to reflect on their role and responsibilities as members of their community and help them navigate the increasing independence they experience both within and beyond school.

The workshop is currently scheduled to take place on Tuesday 17th November. However, as the session is being delivered by a serving Police Officer, we have been advised that it may need to be rescheduled at short notice should an urgent operational incident arise. We will notify you as soon as possible if any changes are necessary.

We look forward to providing this valuable learning opportunity for our Year 6 pupils.

Kind Regards,

Joanne Lennon
Headteacher
